COMPLETION OF PLACEMENT OF RIGHTS ISSUE SHORTFALL AND CANCELLATION OF UNLISTED OPTIONS

The Directors of Alliance Resources Limited ("Alliance") (**ASX Code: AGS**) are pleased to announce it completed the placement ("Shortfall Placement") of a further 3,691,580 ordinary shares. The shares placed represent the balance of the shortfall from the recent 1:12 non-renounceable rights issue ("Rights Issue") not taken up by shareholders and not subsequently placed.

The Shortfall Placement detailed above has been completed at 68 cents and has raised over A\$2.5 million before costs. The majority of the Shortfall Placement went to existing institutional shareholders. The total funds raised from the Placement completed on 26 May 2009, the Rights Issue and placement of shortfall totals A\$44.7 million (before costs).

In an announcement "*PLACEMENT OF SHORTFALL FROM RIGHTS ISSUE*" on 2 July 2009, it was detailed that, Abbotsleigh Pty Limited, Alliance's major shareholder, would participate in the Shortfall Placement, subject to any necessary waivers and/or approval from ASX or ASIC. Alliance applied for a waiver from Listing 10.11 to permit it to issue 3,691,580 shares to Abbotsleigh Pty Limited at 68 cents per share under the Rights Issue shortfall facility, without having to obtain the approval of the holders of Alliance's ordinary securities. The placement to Abbotsleigh Pty Limited did not proceed as ASX had refused to grant waiver under Listing Rule 10.11 and the shareholder approval process would extend beyond the 3 month Shortfall Placement period. Accordingly, the Directors have placed the shares to other parties and ensured the additional A\$2.5million has been raised from the Shortfall Placement.

Proceeds from Alliance's capital raisings will be primarily directed toward Alliance's equity share of development and operating costs at the Four Mile Uranium Joint Venture Project in South Australia, scheduled to commence production in early 2010. Alliance believes it is now fully funded to receipt of first revenue from the sale of uranium from Four Mile.

Alliance has cancelled 100,000 Employee Unlisted Options (\$0.80 Ex Price - Expiry 31 October 2009), following the resignation of an employee.

Following the allotment of the Shortfall Placement and cancellation of the Unlisted Employee Options, the Company will have a total of 341,172,309 ordinary shares and 8,425,000 unlisted options on issue.
