## FOUR MILE PROJECT – NATIVE TITLE MINING AGREEMENT

The Supreme Court of South Australia today made an order, ex parte, allowing Quasar Resources Pty Ltd to serve and proceed with an application on the Mining Registrar (SA) seeking an order that she register the native title mining agreement lodged with the Registrar on 12 May 2010.

Alliance Craton Explorer Pty Ltd is also named as a defendant to the proceeding but no order is sought against it.

The Registrar rejected the native title mining agreement on the basis that, in her view, it did not comply with all relevant legislative requirements. The first directions hearing is scheduled for 28 January 2011.
