## BLOOMBERG ARTICLE

---

Alliance Resources Limited (**Alliance**) and Gippsland Limited (**Gippsland** (ASX: GIP)) have just been advised that there is an article on the Bloomberg website – ***“Alliance, Gippsland of Australia to Search for Uranium in Jordan”***. Neither Alliance nor Gippsland are aware of the source of that article.

Alliance confirms that, as part of its ongoing review of strategic opportunities, it has been in discussions with Gippsland and Jordanian state authorities about exploration opportunities in Jordan. These discussions are incomplete and no agreement has been reached and no prospecting or exploration rights have been granted to Alliance or Gippsland or any entity associated with either of them.

For and on behalf of the Board.
