ARABS TODAY ARTICLE

Alliance Resources Limited (**Alliance**) understands, but has been unable to confirm, that an article was published in yesterday's "Arabs Today" a newspaper circulating in Jordan headed "**Government approves the Convention on uranium exploration with a coalition of Australian [companies]**". Alliance is not aware of the source of that article.

Alliance confirms that, as part of its ongoing review of strategic opportunities, it has been in discussions with Gippsland Limited (ASX: GIP) and Jordanian state authorities about exploration opportunities in Jordan. These discussions are incomplete and no agreement has been reached and no prospecting or exploration rights have been granted to Alliance or Gippsland or any entity associated with either of them.

For and on behalf of the Board.
