JORDAN

Alliance Resources Limited (**Alliance**) has withdrawn from discussions with the Jordanian Government regarding exploration opportunities in Jordan.

Discussions with representatives of the Government of Jordan were conducted by all parties in good faith.

Alliance will continue to seek mineral exploration and development opportunities that add shareholder value, with particular priority on projects within Australia.

For and on behalf of the Board.

Steve Johnston
Chief Executive Officer

About Alliance Resources

Further information relating to the Company and its various exploration projects can be found on the Company's website at www.allianceresources.com.au.
