FOUR MILE FIRST SHIPMENT OF PRODUCT

Alliance Resources Limited (**Alliance**) is pleased to announce that the first shipment of product from the Four Mile Project occurred in September. For security reasons details were not provided to Alliance. The product was shipped to Cameco Corporations' facility at Blind River, Ontario, Canada, where it will undergo further processing prior to sale.

Alliance is now able to announce that 300,000 lbs of uranium ore concentrate were shipped in September and a further shipment of 210,000 lbs is currently en route to Canada and is expected to arrive in Blind River in mid-October.

For and on behalf of the Board.

Steve Johnston
Managing Director

The Four Mile Uranium Project area is located 550 kilometres north of Adelaide in South Australia. Alliance's 100% owned subsidiary, Alliance Craton Explorer Pty Ltd is the registered holder of 25% of ML6402 and EL5017. Quasar is the registered holder of 75% and acts as the manager of the Project.
