## **LAUNCH OF NEW WEBSITE AND ONLINE INVESTOR CENTRE**

Alliance Resources Limited ("Alliance") is pleased to announce the launch of a new website, which includes a comprehensive online investor centre.

The Investor Centre includes a subscriber based Email Alert System, which allows shareholders and other interested parties to sign up to receive instant notification of all new company announcements.

Existing subscribers to the Alliance Resources website will be sent an email notification today outlining their new website login details and password.

Anyone who is not currently a subscriber to the website, but would like to receive instant notification of company announcements, can visit [www.allianceresources.com.au](http://www.allianceresources.com.au) and go to the Email Alerts page, located under the Investor Centre menu.

### **About Alliance Resources**

Alliance Resources Limited is an emerging uranium and gold producer. Alliance has a 25% free carried interest in the Arkaroola Project in South Australia, where its 75% joint venture partner, Quasar Resources Pty Ltd, is exploring for uranium and copper-gold. Quasar is an affiliate of Heathgate Resources Pty Ltd, which owns and operates the Beverley Uranium Mine, located immediately east of the Arkaroola Project. Alliance is also developing the Maldon Gold Project in Victoria and exploring for copper-gold at the Warrina Project in South Australia.
